In evaluation of proposals received for RFP Records System Software, the Using Agency determined that NewVision Systems Corporation was the best proposal based on criteria factors.

The recommended vendor is actively engaged in the State of New Jersey, being established in several other counties.

The product software is similar to existing software being used by the Using Agency.

The recommended vendor indicated that product transfer would take place on or before January of 2023, meeting expectations of delivery of service.

Product and specifications meet the needs of the Using Agency at an overall lower cost.

Calculations of evaluations based on weighted criteria provided the final result (out of a possible 300 points):

NewVision Systems Corporation 269.25

Tyler Technologies 207.75
