Program Definitions

Low Income Home Energy Assistance Program

The Low Income Home Energy Assistance Program (LIHEAP) is designed to help low-income families and individuals meet home heating and medically necessary cooling costs. To be eligible, a household must have a gross income at or below 225% of the Federal Poverty Level and be responsible for the cost of heating.

Universal Service Fund

USF is a program created by the State of New Jersey to help make natural gas and electric bills more affordable for low-income households. If you are eligible, USF can lower the amount you pay for gas and electricity. To be eligible, a household must have a gross income at or below 175% of the Federal Poverty Level and pay more than 3% of its annual income for electric, or more than 3% for natural gas. If a household has electric heat, it must spend more than 6% of its annual income on electricity to be eligible.

Weatherization

New Jersey's Weatherization Assistance Programs will help reduce energy bills and keep your home warm by providing you with: 1) A home energy audit to see how much money you can save on energy bills by weatherizing; and 2) Installation of energy efficient measures which may include air sealing, insulation, heating system repair and/or replacement of refrigerators and heating systems if necessary. To be eligible, a household must have a gross income at or below 200% of the Federal Poverty Level.

LIHEAP and USF Recertification

If you received USF or HEA benefits during the previous season and did not move, you will receive a Recertification form in the mail instead of a full application. Contact your local participating agency for the recertification form if you do not receive one. If you now have a new address you must submit a complete application with all the required documentation.

Food Stamp and PAAD Automatic Enrollments

Food Stamp recipients and Lifeline/PAAD recipients are automatically screened for USF and HEA and only need to fill out a full USF/HEA application if it is requested by the county USF/HEA agency or more information is needed.

NJ FamilyCare

NJ FamilyCare is publicly funded health insurance for uninsured children 18 and under and certain low income parents. It is free for most children or very low cost. The family can choose from several HMOs which will cover services such as doctor visits, prescriptions, vision, and dental care for most kids, and even hospitalization. Eligibility is based on family size (parents/guardian and children) and monthly income. Most immigrants whose documents allow them to live here permanently are eligible. For undocumented residents, their children may be eligible if born in the U.S. For more information call 1-800-701-0710 or visit www.njfamilycare.org where you can apply online or check yes to the NJ FamilyCare question on this application and a NJ FamilyCare application will be sent to you. If you have a child 18 or under who does not have Medicaid (either through the County, SSI or DYFS), NJ FamilyCare or other healthcare insurance, check the box (page 4 question 13-8) and you will be sent an application in the mail.
