

Disaster Response Crisis Counselor (DRCC) TRAININGS IN SUSSEX COUNTY

EVERYONE MUST REGISTER ONLINE - SEE LINK BELOW

Date/Time: **Friday, November 22, 2019** 9:00 AM – 4:00 PM

Location: Sussex-Wantage Branch Library (Community Room)

69 County Road 639, Wantage, NJ 07461

Understanding and Interacting with Veterans - 9:00am to 12:00pm

This training provides 3 DRCC Recertification Credits.

Understanding and Interacting with Veterans is a three hour training in which the goal is to get a better understanding on possible obstacles veterans face and reasons they think and feel the way they do. You will see the difference between a traditional and non-traditional veteran, hear what war time veterans feel when returning to their communities from war, and see the many reasons why 33% of combat veterans develop and are diagnosed with Post Traumatic Stress Disorder (PTSD).

This is an exciting training with a few videos and many talking points to get the audience engaged with stimulating conversations.

Trainer: Maurice Sheppard, DTB, State Trainer

Use this link for both trainings:

*****LUNCH IS ON YOUR OWN*****

Helping Survivors Cope with Grief After a Disaster or Traumatic Event - 1:00pm to 4:00pm

This training provides 3 DRCC Recertification Credits.

Grief is the normal response of sorrow, heartache and confusion that comes from losing someone or something important to you. Grief can also be a common human response after a disaster or other traumatic event. The circumstances of a natural or human-caused disaster or other traumatic event can affect the way that survivors experience grief. DRCCs have an opportunity to greatly reduce survivors' fears and anxiety through compassionate communication. This training contains information about the grieving process, what happens when the grief process is interrupted and complicated or traumatic grief occurs, and guidelines for communicating with survivors experiencing grief.

Trainer: Wendy Chin, DTB, State Trainer
