Advanced Construction Notice – Bridge L-10 Repairs **Distributed: August 8, 2017**

Project:

Bridge L-10 Roadway Stabilization & Temporary Repairs

Decker Road, Lafayette Township

Contractor:

- Sussex County Office of Bridge & Traffic Safety
- Sussex County Division of Public Works

Schedule:

Anticipated Schedule is as follows:

- Construction Start – **August 14, 2017**
- Construction Duration – 1 Week

Decker Road Closure:

Decker Road will be fully closed to traffic at Bridge L-10 for the duration of construction with a posted detour via SR 206, SR 15 and Mudcut Road utilizing breakaway barricades.

Bridge Weight Restriction:

Bridge L-10 is currently weight restricted to 10 tons and reduced to a single lane. Upon completion of the roadway stabilization and temporary repairs, the bridge will be reopened to a single lane of traffic and will remain load restricted to 10 tons. These temporary repairs are intended to stabilize the roadway and ensure the bridge remains open to traffic in the near term.

Construction Activities:

- Closure of Road and Implementation of Detour
- Removal of Asphalt, as Required
- Installation of Timber Deck Panels and Curbs
- Backfill, Grade, and Pave Roadway
- Re-Installation of Water Barriers
- Installation of Flexible Delineators on Approaches
- Open Roadway to Traffic

Contact Information:

For more information about this project please feel free to contact Siân Pearson, Principal Engineer, of the Sussex County Division of Engineering at 973-579-0430 or dpw@sussex.nj.us
