

FIGHT CANCER WITH US

ENROLL IN CPS-3 TO HELP FIND A CURE

More than 11 million Americans are fighting cancer every day. You can join the fight by participating in Cancer Prevention Study-3. This study by the American Cancer Society is expected to break new ground on what causes and cures cancer.

You're eligible to join the study if you're between age 30 and 65 and have never had a cancer diagnosis. Participants must submit a blood sample, take a survey and be willing to do follow-up surveys in the future.

Enroll at any of the following locations:
