Sylvia Petillo was elected to the Board of Chosen Freeholders on November 8, 2016. On January 3, 2017, Freeholder Petillo was sworn in as a member of the Freeholder Board.

Sylvia started her municipal service in 2004 by being elected to the Hopatcong Borough Council. She was elected as the first female Mayor of the Borough of Hopatcong in 2007. Sylvia served nine years as Mayor and in 2014, she was chosen as the "Mayor of The Year" by the Sussex County Economic Development Partnership. She is a member of the Leadership Council for Project Self-Sufficiency, St. Clare's Health System Community Advisory Group and the Hopatcong Creative Arts Council. She is also Vice-President of Petillo Enterprises, a site-development company that she owns with her husband in Kenvil, New Jersey.

Sylvia received her B.A. in Music Education from William Paterson University, New Jersey, and her M.S. in Education from Marywood University, Pennsylvania. She taught music and elementary education for over fifteen years in Garfield and Andover Township Public Schools, Northwest Christian School in Newton, and Cornerstone Christian Academy in Randolph.

Sylvia's interest in serving her community started many years ago. She became an advocate for at-risk children and helped organize the "Helping Hands Program" in the early 1980's. During that time she also worked on recovery efforts for youngsters who had been abducted. She was asked to write and record songs that would tell the story of children that were missing. Sylvia volunteered her services to the Interstate Association of Stolen Children. She wrote and recorded a song for them entitled, "Where Can She Be." That song has been used to raise awareness about missing children throughout the United States.
During Operation Desert Storm, in 1991, she was inspired to compose a song entitled "Where Is That Love." The song was dedicated to the fallen soldiers and their families. Upon hearing her song, General Norman Schwarzkopf, head of the United States Command and Coalition Forces in the Persian Gulf, acknowledged and wrote, "I have received many original songs since the beginning of Operation Desert Shield and Desert Storm, but yours touched my heart. Thank you for demonstrating your support for our troops. They deserve the thanks of a grateful nation. God Bless You!"

Through the help of General Schwarzkopf's office her song was distributed by the military to all the families of the fallen soldiers and our POW's. On the 20th Anniversary of Desert Storm, Sylvia was invited to take part in a Military Anniversary Ceremony in memory of those who fell and those who survived.

Sylvia was elected to the Hopatcong Board of Education in 1995, and served for nine years. She was the President for four years of her tenure. While on the Board, she was the recipient of the 2002 "Volunteer of the Year Award" for Sussex County for her work on behalf of the Hopatcong Municipal Drug and Alcohol Alliance. Sylvia also served for fifteen years as a mediator for Hopatcong's criminal court and the Board of Directors for American Christian School in Succasunna, New Jersey.

Sylvia and her husband Ron have been married for 42 years. They are the proud parents of Michael, the Lead Pastor at The Springs Church, who resides in Monument, Colorado, with his wife Bethany and their sons Landon and Max......and Joseph, an Electrical Engineer at Picatinny Arsenal, who resides in Green with his wife Meredith and their daughter Serena.

County Government Information

~WHAT IS A FREEHOLDER?~

A Freeholder is the elected county government representative in New Jersey who serves on the county’s main governing body, the Board of Chosen Freeholders.

The Sussex County Board of Chosen Freeholders sets policy for five County departments and 13 divisions, plus a number of boards, commissions, authorities and committees. The Freeholders appoint a County Administrator to supervise the actual day-to-day operation of county government.

~COUNTY GOVERNMENT IN NEW JERSEY~

The word “freeholder” traces its origin to medieval England. It was introduced here by the British colonists who brought with them the concept of the county as the local unit of government. When the British settled in the “new world,” they also brought with them the idea that only those who owned land free of any debt could vote and hold public office. Those who could vote were known as “free-holders” and those who were elected to office were the “chosen freeholders.”

The basic law establishing the Freeholder form of county government in New Jersey was enacted in 1798. In the beginning, each corporate municipality was represented by a Freeholder on the county governing board. But as the number of municipalities increased to the point where some Boards were bogged down by sheer weight of numbers, the law was changed. In 1912 the “Small Board” Act was adopted, permitting counties to elect Freeholders from the county at large. The exact number of Freeholders making up each county Board was to be determined by the respective county’s population. The law was permissive, and subject to approval by the voters at a referendum.

Sussex County has five Freeholders. A county may have between three and nine, depending on its population and classification.

The Freeholders are elected at-large to serve three-year staggered terms. The five Freeholders elect a Director from among themselves to run their meetings and to serve as spokesperson for the Board.

New Jersey is the only state whose elected county representatives are called Freeholders.
The flag, with its background of vibrant yellow, represents the sun or a harvest moon as it spreads its light over the mountains, hills and valleys.

The gentle blue is the reflection of the tonality of the sky upon our beautiful crystal lakes while the stars remind us of our high ideals.

The gently waving wheat gives living evidence of the fertility of thought, words and deeds. This is Sussex County.

The Sussex County Seal is a gold seal with a solid green circle encased within a dark blue circle. Within the green circle are five gold sheaves of wheat held in place by a burgundy ribbon decorated with three gold stars.

The date 1753 appears below the ribbon to remind us of our forefathers’ perseverance to establish Sussex County as an independent entity to govern, protect, and enhance the lives of its residents.
Sussex County, located in the northwest corner of New Jersey, is well-known as a four-season recreational community. With its mountains and more than 80 lakes and streams, thousands of visitors are attracted here each year to enjoy camping, hiking, picking apples in the fall, swimming, boating and fishing, as well as, skiing on our popular slopes for wintertime fun. State parks located within its boundaries also offer campers and other devotees of outdoor life, opportunities for year-round recreational fun.

Approximately 40 miles of the Appalachian Trail traverses through the northern section of Sussex County. The western section of the County is located in the Appalachian Zone, known here as the Kittatinny Valley and Mountains, where a great variety of mineral deposits have been discovered. Comprised mainly of granite and gneiss, the eastern third of the County is almost entirely in the Highlands, and forms part of the oldest geological strata in North America.

Rich in folklore and wealthy in history, Sussex County is one of the last of the 21 counties in New Jersey to retain its rural characteristics. Visitors to Sussex County can take a step back in time and view 100-year-old homes and one-room schoolhouses preserved to perfection, or spend a day browsing in the many antique shops located throughout the region.

Whether you enjoy science, history or the beautiful natural resources so plentiful to our region, spending a day or a week with us, Sussex County has something to offer to satisfy everyone’s recreational and educational interests.
