

Limited License Agreement for CAD Files

Electronic submissions of CAD files provided in Native CAD submitted to the County of Sussex as part of an application to the Sussex County Planning Board shall be deemed instruments of service of the Consultant (Licensed Professional) who prepared same. The Consultant shall retain all common law statutory and other reserved rights including copyrights.

This submission shall not be construed as a publication in derogation of the rights reserved to the consultants. The County shall receive a non-exclusive license to use the instruments of service solely and exclusively for the purpose of the application that is submitted to it, and to utilize same in connection with County facilities and improvements set forth in such submissions.

The County shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to any other party without the prior written consent of Consultant. Except that the County has the limited right to utilize said instruments of service when dealing with alterations, additions or improvements to the real property owned by or controlled by it.
