Stillwater Township	9	747
Vernon Township	9	1,267
Wantage Township	62	6,935
TOTAL	202	19,425

***Note:** A municipality may contain preserved farm acreage but show a zero in the “Num of Farms” column due to the fact that a farm may span more than one municipality. Yet, the preserved farm, as a whole, must be attributed to only one of them. The farm is normally attributed to the municipality that has the majority of the farm’s acreage.
