UberConference needs to use your microphone and camera to join.

Grant UberConference access to your microphone and camera so other participants can hear and see you. You will still be able to mute or disable your microphone or camera.

You can still access the screenshare if you join without granting us permission.

Click Settings, then verify the camera/ microphone/ speakerphone you want to use.

The screenshot shows a Zoom meeting join interface. At the top left is the Mercer County logo. The main text reads "Hi! 🖐️ Welcome to Bill's conference". Below this is a form asking "What's your name?" with a text input field containing "e.g. Dana Scully". There is a checkbox for "View or present screenshare only" and a "Join Now" button. At the bottom, there is a "Log in" link for existing accounts. A "Settings" button is located at the top right of the join screen. An overlay window titled "Device Settings" is open, showing options for Camera (Disable Camera), Microphone (Communications - Microphone Array), and Speakers (Communications - Speakers (Teradic)).

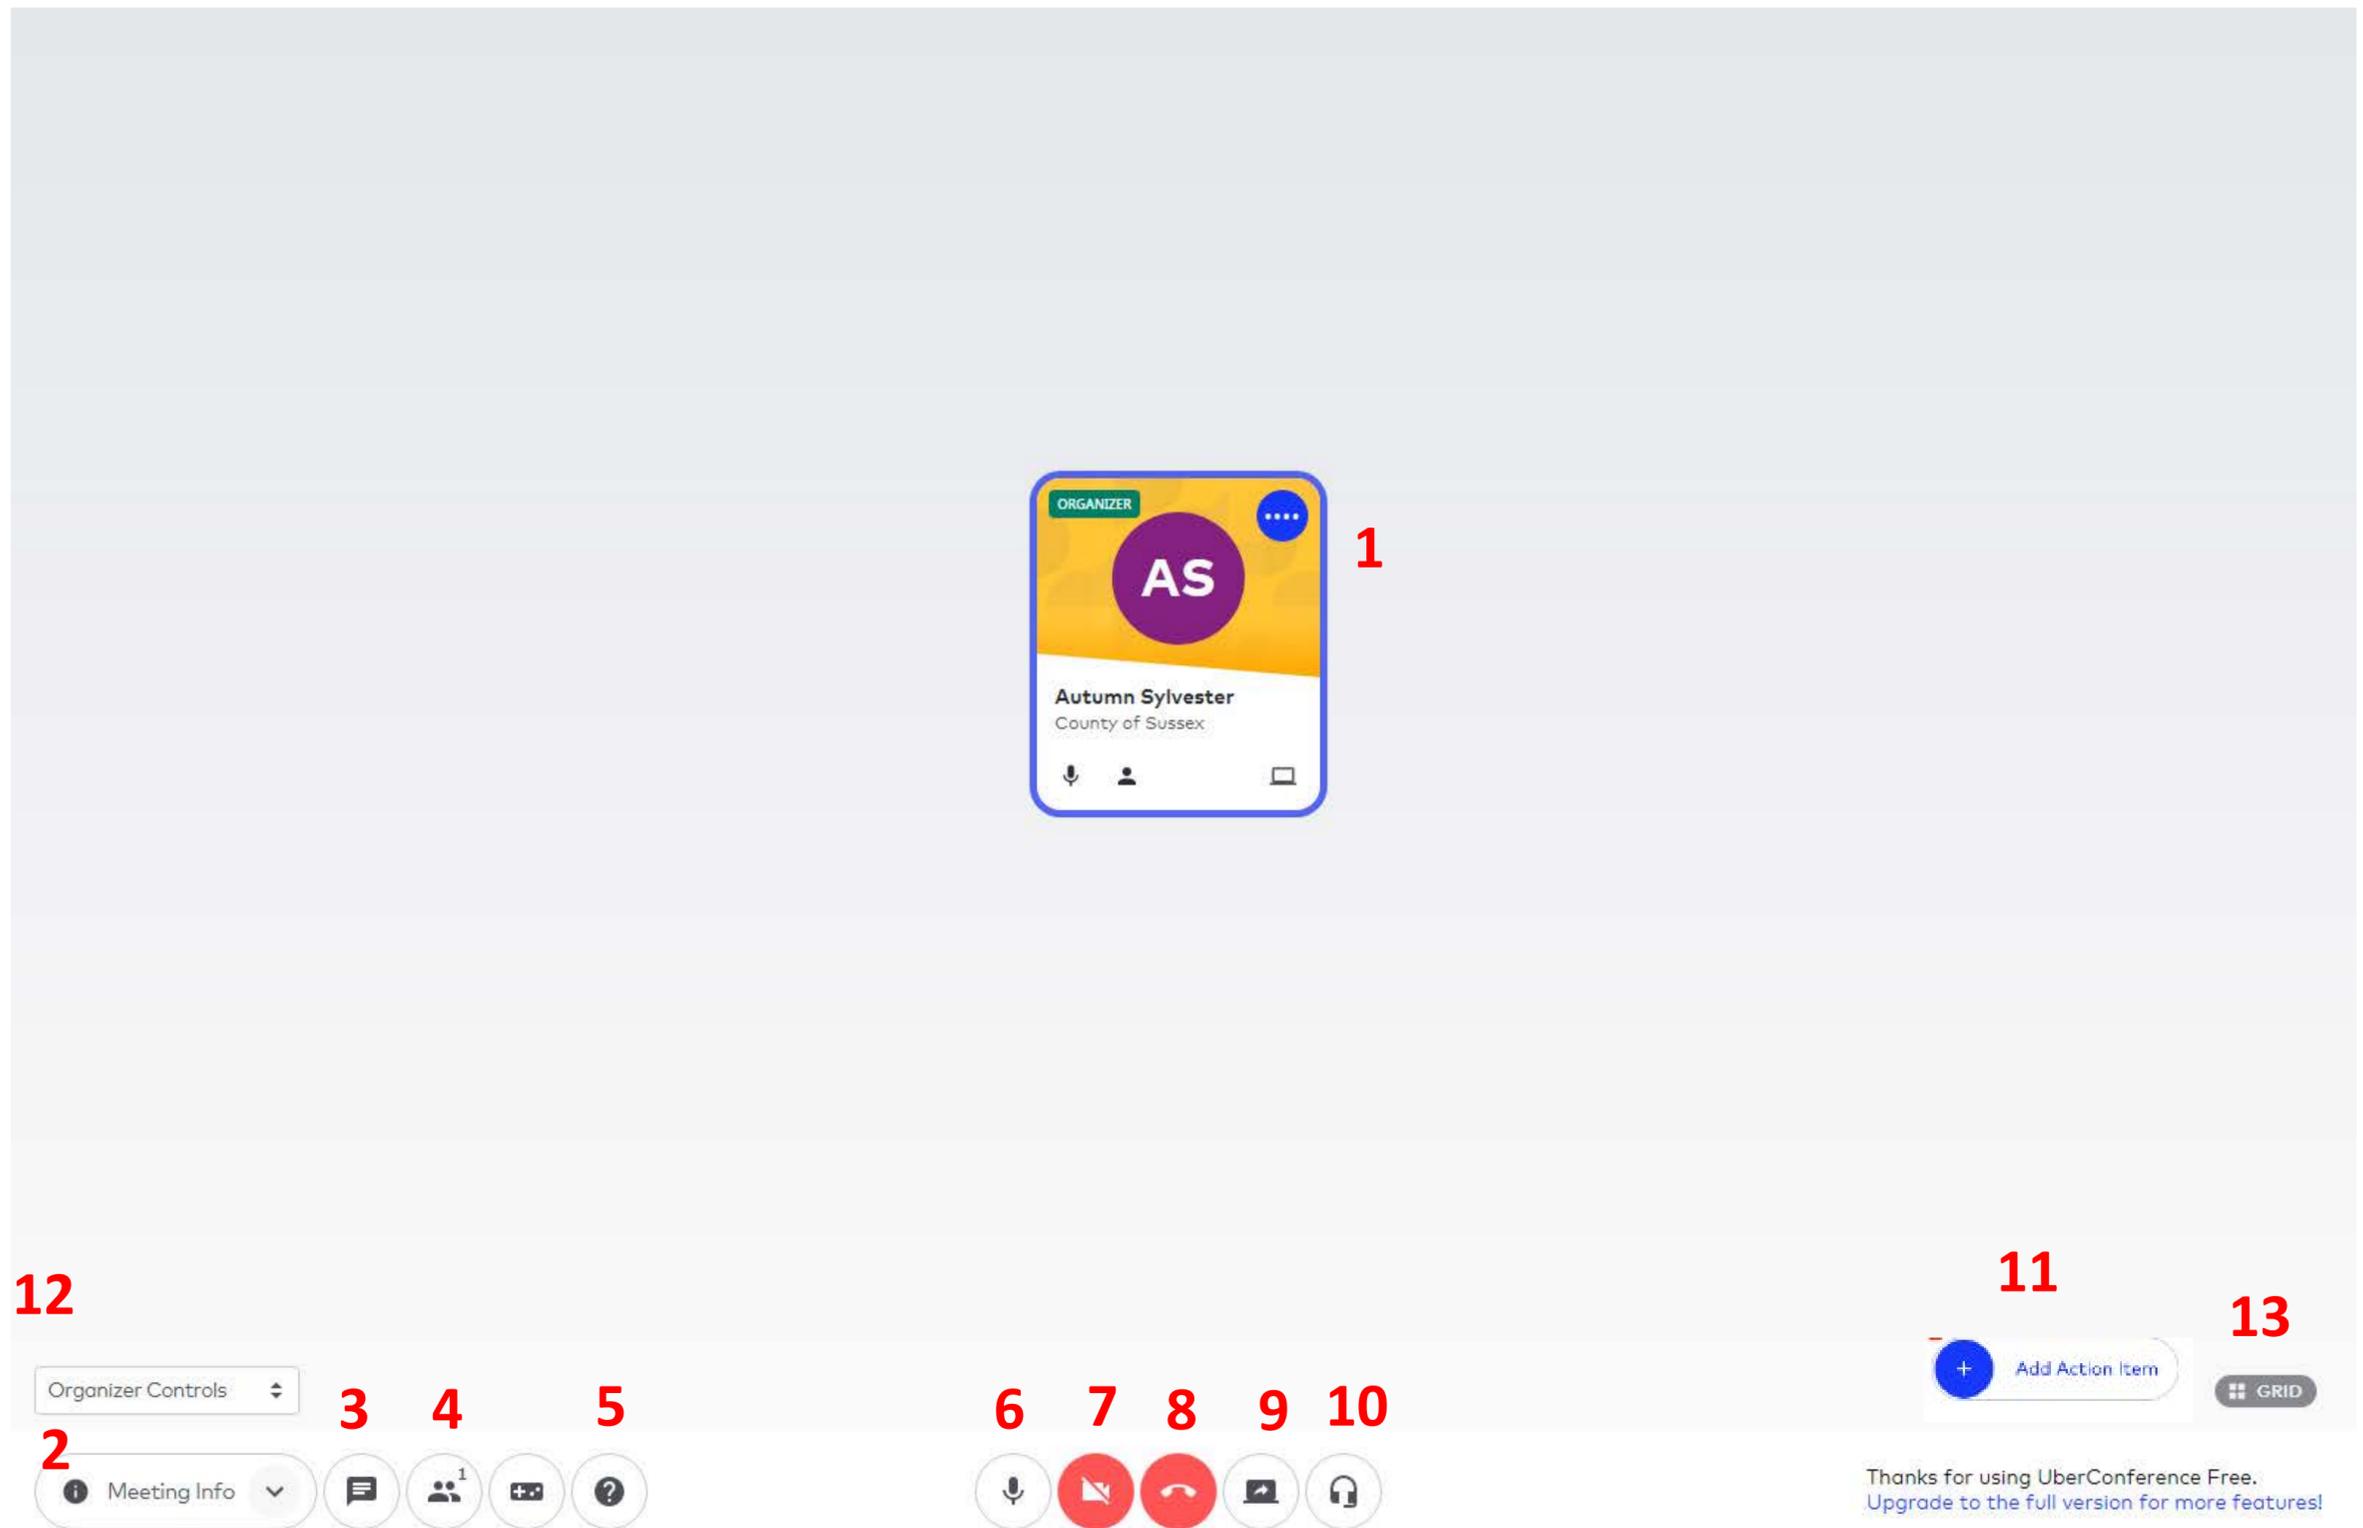

Enter your name
