2018
CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments for Improvements.

No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PLAN

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

3 years. (Population under 10,000)

6 years. (Over 10,000 and all county governments)

_____ years. (Exceeding minimum time period)

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The County of Sussex must adopt a Capital Budget and Capital Improvement Program for the six-year period 2019 through 2024. The Capital Budget is for projects planned to be authorized in 2019. The Capital Improvement Program, in turn, must attempt to project capital expenditures through 2024. The Capital Budget may be amended by resolution during the year for projects not determined at this time or due to a change in project priorities and/or availability of funding. This is only a proposed list of potential projects. A duly adopted ordinance or budget appropriation must be in place in order to spend money on any project.
