### **2019 Novel Coronavirus: Prescription No Longer Required at Morris County Test Site**

(Hardyston, NJ) Morris County Freeholders have announced that a prescription from a healthcare provider is no longer required at their COVID- 19 test site at the County College of Morris in Randolph.

While the site, which is run in partnership with Atlantic Health, primarily provides testing to Morris County residents, a select number of appointments are reserved for individuals who reside in Sussex County. Only residents who have properly signed up for an appointment will be allowed at the testing site. For more information and to make an appointment, residents should visit the [Morris County Office of Health Management website](#).

The Morris County COVID-19 drive-thru testing site is located at the County College of Morris, Center Grove Road, Randolph, NJ 07869, in Parking Lot 1. Residents with appointments must use the Center Grove Road entrance to access the site.

## **WHAT YOU NEED TO KNOW**

- To be tested, residents **MUST**:
  - Read and acknowledge the consent form
  - Make an appointment
- Persons **WILL** be turned away if they do not meet these qualifications.
- Please sign up for an appointment at <https://health.morriscountynj.gov/COVIDTesting>.
- There is no charge for the test.

## **ARRIVING AT THE TESTING CENTER**

- Identification and appointment verification for all potential clients will be confirmed before entry.
- **NO** photographing or video recording is permitted.
- Please pay attention to all signage, which is in English and Spanish.
- **ALL** vehicle windows must remain **CLOSED**.
- **DO NOT ROLL DOWN ANY VEHICLE WINDOW** until instructed to do so.
- **Do NOT** move forward until instructed to do so.
- There are no emergency services available at the testing location. If you experience a medical emergency, please go to the nearest hospital or dial 911.

Please note that a prescription is still required for COVID- 19 testing at Sussex County Community College. Visit
