2019 Novel Coronavirus

(Hardyston, NJ) The following is a correction to yesterday's daily COVID-19 press release. There were 5 additional cases of COVID-19, not 14 as originally reported. As of 12:00 AM on October 23, 2020 the Sussex County Division of Health (SCDOH) announces 8 additional cases of COVID-19 among County residents for a total number of 1776* confirmed cases. Of the 1776* cases, 1442 cases have been classified as recovered. Additionally, the SCDOH reports no new deaths for a total of 197 deaths.

If you have questions about COVID-19, residents may call the County hotline number at 973-579-9488 to speak with a Division of Health staff member or Sussex County Medical Reserve Corp volunteer. The Hotline's hours of operation are Monday through Friday from 9:00a.m. to 4:00p.m. Additional information can be accessed by calling 2-1-1 or 1-800-962-1253 for information from the New Jersey Department of Health, or text NJCOVID to 898-211. You can also visit the Sussex County Division of Health COVID-19 webpage at <https://sussex.nj.us/covid19>.

Please note that data is provisional and subject to revision.

**(One prior reported positive case has been re-assigned out of County)*
