2019 Novel Coronavirus

(Hardyston, NJ) As of 12:00 AM on March 18, 2021 the Sussex County Division of Health (SCDOH) announces 93 additional cases of COVID-19 among County residents for a total number of 10,721* confirmed cases. Of the 10,721* cases, 9,476 cases have been classified as recovered and 30 are under review. Additionally, the SCDOH reports no new deaths for a total of 279 deaths.

If you have questions about COVID-19, residents may call the County hotline number at 973-579-9488 to speak with a Division of Health staff member or Sussex County Medical Reserve Corps volunteer. The Hotline's hours of operation are Monday through Friday from 9:00a.m. to 4:00p.m. Additional information can be accessed by calling 2-1-1 or 1-800-962-1253 for information from the New Jersey Department of Health, or text NJCOVID to 898-211. You can also visit the Sussex County Division of Health COVID-19 webpage at <https://sussex.nj.us/covid19>.

Please note that data is provisional and subject to revision.

**(No prior reported positive cases have been re-assigned out of County)*
