YOUTH SERVICES COMMISSION

MISSION

The Sussex County Youth Services Commission's mission is to advocate for an accessible, responsive, integrated and coordinated system of care for the specific needs of youth and families residing in Sussex County and to implement the duties and responsibilities set forth in the Bring Our Children Home Act and the Juvenile Justice Commission - Youth Services Commission. The priority population includes, at a minimum, youth with special social and emotional needs and/or juveniles involved or at risk of involvement in the Family Court.

2012 Comprehensive Youth Services Plan

What the data tells us?

Prevention:

- **Overall decrease in juvenile arrests and school based incidents.**

- **Focus areas:**
 - Overall data has stayed consistent that alcohol and drug abuse offenses have consistently stayed a high ranking need for our community.

 - Survey data shows that 20% of our 6th graders have tried alcohol. Substance Abuse prevention remains a focus of the Youth Services Commission.

 - Family Management, neighborhood attachment and community organization are underdeveloped areas in our continuum of services.

What the data tells us?

Detention:

- The average daily population of detention decreased by 50%.
- The average length of stay decreased by 32%.
- The Home Detention Program has had a direct impact on these numbers. Non-violent offenders are in the community receiving rehabilitative services.

- Focus areas:

- The more juveniles in the community, the more community based services will be required:

- Employment Programs
 - Substance Abuse Programs
 - Family Matters
 - Community Service

What the data tells us?

We can continue to reduce these numbers!

Family Division Data –
Previously Adjudicated (Re-Opened)

2012 Comprehensive Youth Services Plan

Disposition Options:

- ❖ **Overall decrease in juveniles adjudicated delinquent.**
- ❖ **Overall decrease in juveniles on probation.**
- **Focus areas:**
 - **Between 2006 and 2009 we improved on meeting the needs of our juveniles, but it was determined that we need to focus on the following areas to continue to see decreased numbers:**
 - **Personality/Behavior**
 - **Substance Abuse**
 - **Peer Relations**
 - **Anger Management**
 - **Interpersonal Skills**
 - **Positive Decision Making**

**Re-entry:
Good news!**

We have an extremely small number of juveniles re-entering into our community from Juvenile Justice placements.

2012 Comprehensive Youth Services Plan

The Allocations Committee from the SCYSC, carefully reviewed the 2012 Plan data to create a program profile that would best meet the needs of our community and would ensure there were no duplication of services:

- Funding Amount: \$153,000.00
- JJC Funding Source: State Community Partnership
- No County Funds

2012 Comprehensive Youth Services Plan
