 Bob Pierce, General Supervisor

**OFFICE OF BRIDGE AND TRAFFIC SAFETY**

**SPRING SEASONAL REPORT 2018**

**2018 SPRING SEASON OPERATIONS**

**March, April, May, June 2018**

**Overview:**

During the Spring months, The Office of Bridge and Traffic Safety is focused on the following tasks:

- Traffic Safety
  - Complete inspection/evaluation of long lines, signs (14,000+) and pavement markings (1,200+)
  - Scheduled sign replacements
  - Sign fabrication
  - Crew members working with the 2017 SC Paving operations as inspectors
- Signals:
  - Maintenance of existing traffic signal systems
  - Deployment of dynamic speed trailer (starting in May)
  - Continue inspections of the existing traffic signal systems
- Bridge Crew
  - Bridge deck repairs
  - Bridge repair work orders
  - Bridge maintenance program begins
  - Routine Monitoring

Typical bridge headwall repair

In the Spring we inspect all signs and pavement markings

Emergency repair of a Traffic Signal

Typical sign replacement

**You will see our crews carrying out:**

**OFFICE OF BRIDGE AND TRAFFIC SAFETY**

**SPRING SEASONAL REPORT 2018**

ACTIVITY TASK DESCRIPTION	Task Progress	SPRING-SUMMER			
		M	A	M	J
<b>TRAFFIC SAFETY</b>					
Annual inspection/evaluation of Signs and Pavement Markings		X	X		
Replace Signs identified in evaluation in excess of 1,500 signs	creating queue			X	X
Replace Pavement Markings +/- 400 locations	creating queue			X	X
Fabrication of 1800+ signs for County Replacement, Fleet and Sheriff		X	X	X	X
Trim signs on 600+ lane miles of County Roads	creating queue			X	X
Fabricate signs for 8 Towns included in Shared Services	as needed	X	X	X	X
Implement Detours, Work Zones and emergency traffic control	as needed	X	X	X	X
Sign Maintenance (defaced signs, leaning signs and safety upgrades)	ongoing	X	X	X	X
Emergency response (On-Call) +/- 2 per week	ongoing	X	X	X	X
Installation of new signs per Div Eng work order		X	X	X	X
Eng support ( Inspect installation of pavement markings and Long Lines)	project startup				
<b>BRIDGES</b>					
Maintenance inspections of all Bridges	completed	X			
Bridge Maintenance based on needs recorded in inspections	under review		X	X	
Routine monitoring	ongoing		X	X	
Small Repair Work Orders (Deck, concrete and guide rail repairs) +/-10 year			X	X	
Large Repairs that may require bridge closure 2-4 per year "Operational Capital"	TBD				
Winter maintenance (clearing bridge sidewalks, bridge pot holes)	complete	X			
Emergent response (support Signals and Traffic Safety)	ongoing	X	X	X	
Engineering support: Long Line layout on new pavement, traffic control for soil borings, provide inspection for various tasks.	project startup				
<b>SIGNALS</b>					
Monthly inspections of all electrified signal devices		X	X	X	X
Maintenance of signal systems	ongoing		X	X	
Variable Message Board deployment	as needed	X	X	X	
Deployment of the dynamic speed trailer	May startup			X	X
Deployment of Temporary Traffic Signals (As Needed)	as needed			X	X
Work orders for repairs and upgrades of current signal systems	TBD				
Shared Service agreement with Newton for Maintenance and Repair	as needed	X	X	X	X
Emergent Response averages one callout every 2 weeks and one major MVA with knockdown every three months.	ongoing	X	X	X	X
<b>YEAR ROUND ACTIVITIES &amp; OTHER DUTIES</b>					
Staff Training: IMSA, Rutgers Cait, NJDOT and Statewide classes	ongoing	X	X	X	X
Winter Maintenance - Select Bridge Sidewalks and DPW support	complete	X	X	X	X
Tool box safety talks	ongoing	X	X	X	X
