SPRING SEASONAL REPORT 2019

2019 SPRING SEASON OPERATIONS

March, April, May, June 2019

Overview:

During the Spring months, The Office of Bridge and Traffic Safety is focused on the following tasks:

- Traffic Safety
 - Complete inspection/evaluation of long lines, signs (14,000+) and pavement markings (1,200+)
 - o Scheduled sign replacements
 - Sign fabrication
 - Conduct nighttime Retroreflectivity Inspections
- Signals:
 - Maintenance of existing traffic signal systems
 - Deployment of dynamic speed trailer (starting in May)
 - Continue inspections of the existing traffic signal systems
- Bridge Crew
 - Complete replacement of Bridge
 D-21 on Armstrong Rd
 - o Bridge repair work orders
 - Bridge maintenance program begins
 - Routine Monitoring

Bridge maintenance, Deployment of the repairs and dynamic speed trailer replacements along County Routes System wide Replacing nighttime Retropavement reflectivity markings inspections

You will see our crews carrying out:
