Project Completion Notice – CR 519 (Mill St.) Crosswalk, Newton Distributed: Sep. 6, 2019

Project:

Pedestrian Warning Beacon System and Midblock Crossing Along CR 519 (Mill St.), Town of Newton

Construction Forces:

- Sussex County Office of Bridge & Traffic Safety
- Sussex County Division of Public Works

Advisory:

The County of Sussex and the Town of Newton have entered into a shared services agreement to work collectively towards the enhancement of pedestrian safety by installing a pedestrian warning beacon system and relocating the existing midblock crossing along CR 519 (Mill St.) in the vicinity of the Newton Firehouse and Brookside Terrace Apartments.

Schedule:

- August 19, 2019 – Construction Commenced
- September 6, 2019 - Construction Completed
- The new midblock crossing and associated pedestrian warning beacon system is fully operational; the previously existing midblock crossing has been removed

Construction Activities:

Construction Work is as follows:

- ✓ Install the proposed pedestrian beacon foundations - *Complete*
- ✓ Remove the existing sidewalk/curbs as necessary and install the proposed curb ramps (Southbound shoulder followed by Northbound shoulder). - *Complete*
- ✓ Install the proposed midblock crossing and associated signage - *Complete*
- ✓ Final Site Clean Up - *Complete*

CR 519 Traffic/Pedestrian Impacts:

- As of Friday, September 6, all traffic control devices have been removed from CR 519 (Mill St.) and the affected sidewalks are open to pedestrian traffic

Contact Information:

For more information about this project please feel free to contact Josh Roe, Assistant Engineer Civil, of the Sussex County Division of Engineering at 973-579-0430 or dpw@sussex.nj.us
