

2020 Contractor Guide Rail Upgrades

Distributed: January 15, 2021

PROJECT STARTUP NOTICE

Project:

This project consists of the removal and replacement of damaged and/or substandard guide rail systems along CR 565 from Ross Corner to Pelletown Road in Frankford Township. The proposed guide rail systems will be replaced with new galvanized steel beam guide rail in conformance with current NJDOT Standards. Guide rail upgrades/repairs may be conducted in other locations as scheduling, funds, weather, etc., permit.

Contract:

- Contractor: Road Safety Systems, LLC. through MCCPC
- Replacement Rail Cost: \$35.00/Foot
- Tangent Terminal End Cost: \$3,000.00/Each
- Total Proposed Rail Upgrades: 12,170± Feet
- Total Proposed Terminal End Upgrades: 38±
- Additional costs for removal of damaged and/or substandard guide rail, guide rail posts, and reflectors
- Total estimated project cost - \$669,125.00

Funding Source(s):

- 100% Sussex County Capital Funds

Work Schedule:

On road between 7:00 a.m. and 3:30 p.m.

Work is scheduled to begin on or about Monday January 18, 2021. Schedule is subject to change based on weather or other unforeseen circumstances.

Traffic Impacts:

EXPECT DELAYS

Work to be conducted under single lane, flagger controlled, closure.

Contact Information:
