Division Director/Assistant County Engineer

**Public Notice – CR 521 Maple Avenue**

**Distributed: May 3, 2024**

**Municipality:**

**Township of Stillwater**

**Facility:**

**County Route 521 (a.k.a. Maple Avenue)**

**Advisory:**

- In the interest of public safety, a segment of CR 521 was reduced to a single lane in Nov 2023. Traffic flow through the area is controlled utilizing temporary traffic signals to maintain two-way, single-lane operations.
- CR 521 will remain in a single-lane condition until remedial measures capable of restoring reasonable level of safety along this segment of the CR 521 have been designed and constructed.

**Milestone Actions:**

- ✓ November 13, 2023: CR 521 reduced to a single lane near mile marker 11.6+/-, using temporary traffic signals to control the flow of traffic through the single lane closure.
- ✓ April 24, 2024: Award of Design Services Contract
- May-June: Review of existing conditions and temporary safety measures and implementation of recommended modifications to temporary controls.
- Existing Conditions Survey
- Scoping & Identification of Preferred Repair/Rehabilitation Alternative
- Public Outreach & Preliminary Design
- Permitting
- Right-of-Way & Easements
- Final Design
- Bidding & Construction

**Contact Information:**

For more information about this project please feel free to contact Josh Roe, P.E., Principal Engineer, of the Sussex County Division of Engineering at 973-579-0430 or [dpw@sussex.nj.us](mailto:dpw@sussex.nj.us)
