Full Virtual Courtroom Scenario

- Jail joins courtroom via ISDN or IP video conferencing system
- Judge joins courtroom through our Polycom System, iPad, Desktop, or Laptop
- All other parties (prosecutor, public defender, interpreter) join courtroom via video client or their own IP video solution
- Alternate audio bridge in case of video difficulties
- Virtual Courtroom audio is recorded via CourtSmart
- Proceedings will be streamed to the public and can be accessed through a hyperlink, possibly from the NJ Courts website
- Streamlined solution that can be used for weekends\holidays\inclement weather\closings
